PROFESSIONAL PROFILE

Aspiring Compliance and Financial Crime professional with hands-on experience in KYC, Customer Due Diligence (CDD), and AML controls within a regulated fintech environment.
Currently pursuing a BA (Hons) in Business Management (Finance), with a strong interest in financial regulation, risk management, and governance frameworks.

PROFESSIONAL EXPERIENCE

KYC & Compliance Operations Intern
Arie Finance — Ébène, Mauritius
Dec 2025 – Present
Executed risk-based **KYC and Customer Due Diligence (CDD) reviews** for corporate and retail clients, ensuring alignment with AML frameworks and internal controls. Conducted **sanctions, PEP, and adverse media screening**, mitigating financial crime risks. Analysed client documentation and identified discrepancies to improve onboarding accuracy and efficiency. Supported account opening processes in line with regulatory requirements while maintaining **audit-ready KYC records** within compliance systems, supporting regulatory adherence and operational efficiency.
